

Welcome to the **This House of Books 2023 Reading Challenge**. To participate, you just need to read as many books as the median American reads in a year: FOUR! Select from the categories below, and bring your completed list to us in December for entry in a prize drawing to win a gift card. For each set of four distinct categories, you will receive one entry...so you can get up to three entries if you read in all 12 categories! Readers of all ages are eligible.

See our website for details and suggestions in each category:
