Thank you for becoming part of the Cooperative! Your share certificates will be mailed to you as soon as our volunteers on the Board of Directors are able to process them.

Common shares are \$100. Every member must purchase exactly one (1) common share, which entitles you to vote for members of the Board of Directors and any other issues that are put to a vote at the Annual Meeting or Special Meetings.

Preferred shares, which are non-voting shares, are \$500 each, and entitle the shareholder to any dividends that the Board may issue once the co-op becomes profitable. Only 1,000 preferred shares are issued, to prevent excessive dilution of value.
